

# SERVICE MENU

Price for Labour only  
Parts not included unless stated.  
£5:00 extra for Hydraulic brakes

This is just a check over for safety, no adjustments are done. A Bike MOT. It will tell you if your bike is safe & what work needs to be done.

**Safety Check**  
**£25**

This is a basic service, recommended for bikes with low usage or just a pre race service

**Bronze**  
**£45**

A more comprehensive service, recommended for bikes in regular use.

**Silver**  
**£70**

A complete strip down and re-build. The ultimate service. This is essential at least once a year for high mileage bikes particularly if ridden in harsh conditions.

**Gold**  
**£110**

A complete strip down and re-build. The Premium service. This is the Top Service for protection & longevity at least once a year for high mileage bikes particularly if ridden in extreme weather conditions. With the additional extra treatments

**Platinum**  
**£150**

This is a basic service, recommended for E-Bikes with low usage around town

**E-Bike**  
**£50**

A more comprehensive E-Bikes service, recommended for bikes in regular use.

**E-Bike +**  
**£75**
